## Who We Serve

Alcona Health Center is a non-profit, Community Health Center serving northern lower Michigan and the eastern upper peninsula, with locations in Alcona, Alpena, Cheboygan, Chippewa, Iosco, and Emmet counties.

As a Federally Qualified Health Center, we are able to offer an income-based sliding fee program to assist lower income families. We participate in Medicaid and Medicare programs and accept most commercial insurances.

**We are here to serve the whole community!**

## Make Us Your Patient-Centered Medical Home

**Having an established primary care provider is an important part of your “medical home.”**

Your provider gets to know your health history, understands your needs, and becomes a trusted partner in your care. They offer preventive services, manage ongoing conditions, and provide treatment when you're sick. Your primary care provider also coordinates with specialists when needed, helping ensure you receive the most complete and connected care possible.
