Who We Serve

Alcona Health Center is a non-profit, community health center serving in the eastern upper peninsula, and northern lower Michigan with locations in Alcona, Alpena, Cheboygan, Chippewa, Iosco, and Emmet counties.

As a Federally Qualified Community Health Center, we are able to offer an income-based sliding fee program to assist lower income families. We participate in Medicaid and Medicare programs and accept most commercial insurances.

Make Us Your Patient-Centered Medical Home

Having an established primary care provider is an important part of your "medical home".

Your provider gets to know your health history, understands your needs, and becomes a trusted partner in your care. They offer preventative screenings, manage ongoing conditions, and provide treatment when you're sick.

Your primary care provider also coordinates with specialists when needed, helping ensure you receive the most complete and connected care possible.

Our Hours

Mon - Thurs: 7:00 a.m. - 5:30 p.m.

After-Hours Access to Care is available whenever our office is closed. Call (989) 238-8908 and select "8 for Access" to be connected to a member of the After-Hours Care Team.

If you have a medical or behavioral health emergency, dial 911.
