

Sean Kane
Family Nurse Practitioner

AHCalcona health center

Sean Kane, is a Family Nurse Practitioner practicing family medicine. Mr. Kane earned degrees from Davenport University and Ferris State University. He specializes in pulmonology and is a member of the American Association of Nurse Practitioners and American Association for Respiratory Care.

I truly feel comfortable with NP Kane and he pays attention to my needs and concerns.

About Alcona Health Center

Alcona Health Center (AHC) is a non-profit, Federally Qualified Health Center (FQHC), with clinic locations throughout northern Michigan. AHC offers comprehensive medical, behavioral health, dental and pharmacy services to everyone in the communities we serve using a Patient-Centered Medical Home (PCMH) model of care.
