

Our Mission

The purpose of Alcona Citizens for Health, Inc. (Alcona Health Center), shall be to promote, develop and operate such facilities and programs as are necessary to provide quality health care to all residents of Alcona County and the surrounding areas, regardless of ability to pay.

Commitment to Quality

Alcona Health Center adheres to evidenced based guidelines to provide the highest quality of care to our patients. We are an accredited **Patient Centered Medical Home.**

**Community Health Workers
are an essential part of
your Patient Centered
Medical Home Care Team.**

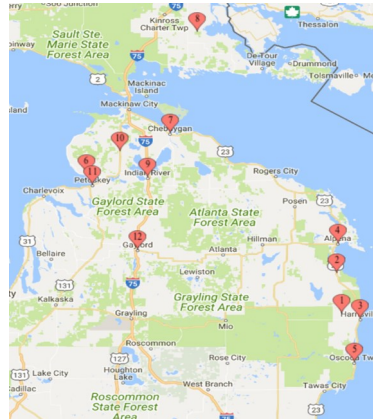

Who We Serve

Alcona Health Center is a group of nonprofit healthcare clinics serving eastern upper peninsula, and northern lower Michigan in Alcona, Alpena, Cheboygan, Chippewa, Iosco, Emmet, and Mackinac counties.

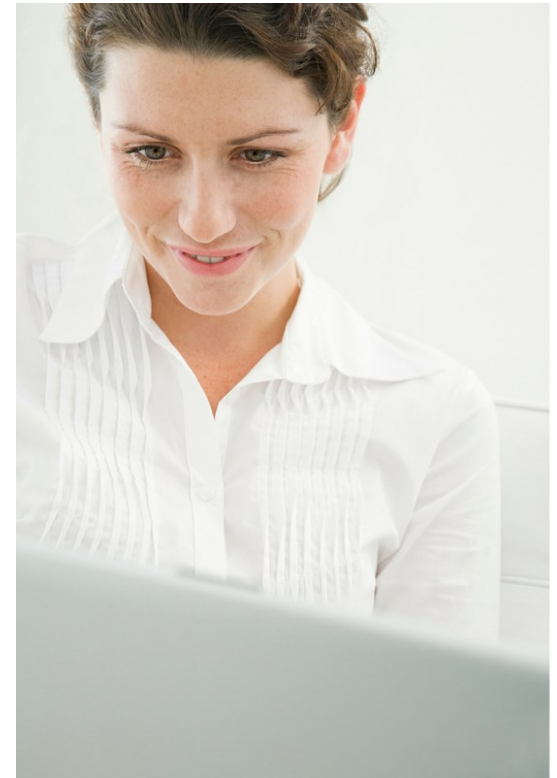

As a Federally Qualified Community Health Center, we are able to offer an income based sliding fee program to assist lower income families. We participate in Medicaid and Medicare programs and accept most commercial insurances.

We are here to serve the whole community!

COMMUNITY HEALTH WORKERS - How Can They Help Support Your Health?

WWW.ALCONAHEALTHCENTERS.ORG

Who is a Community Health Worker?

Alcona Health Center's Community Health Workers are specially trained individuals who help support our patients' "social determinants of health".

This can be just about any barrier that is keeping you from reaching your health goal or impacting your physical or mental wellbeing.

What types of things can a Community Health Worker help with?

- Assistance Filling Out Complex Forms
- Child Care and Parenting Resources
- Educational Resources
- Food Insecurity
- Housing Issues
- Transportation Issues
- Help Connecting with a Support Group
- Help Signing Up For or Understanding Insurance
- Help with Financial Resources
- And more!

Your Patient Centered Medical Home Care Team

The Alcona Health Center care team of medical, dental, behavioral health, pharmacy and other professionals will work with you to establish and manage your health goals and assist you in achieving your best possible health!

If you need some extra support in addressing non-medical issues that are barriers to this, your care team may refer you to or you can request to meet with the **Community Health Worker.**

What Will the Community Health Worker do?

- Listen to your concerns.
- Help answer your questions.
- Provide hands on assistance or
- Connect you with another resource who can help

Why Does Alcona Health Center Offer This Service?

As your Patient Centered Medical Home we are committed to being your partner in health.

We understand that life barriers can get in the way of reaching your health goals. It is hard to follow a nutritious diet if you don't have access to healthy food. It is difficult to keep medical or behavioral health appointments if you don't have reliable transportation. As your partner in health, Alcona Health Center and our Community Health Workers will work with you to help overcome barriers to achieving better health and wellness.
