

## New Patient Portal!

# Take Control of Your Healthcare

Make it easy with the new NextGen<sup>®</sup> Patient Portal

### How can it help me?

The *new* NextGen Patient Portal helps you conveniently and securely connect with your (or your dependents') doctor, manage care, and view health information on a web-enabled device.

### Features available (varies by practice):

#### Messaging

Ask your doctor or care team a question share an update and/or send an attachment

#### Appointments

View and manage appointments

#### Medications

Request refills and/or renewals and review your prescription medications

#### Health Record

View visit summaries, lab results, and other documentation

#### Health Forms

Complete paperwork before your appointments

#### Pay Bills

Pay your medical bills online

### Three easy steps to get started

- 1 Provide a valid email address to your doctor's office. You'll receive an invitation to enroll.
- 2 Create a username and password, then follow onscreen prompts to activate your account.
- 3 Use your username and password to securely stay in touch with doctors and access your health information anytime, anywhere.

**Ask us about managing your health using the *new* patient portal!**
