

Alcona Health Center Mission

To provide patient-centered, quality healthcare services regardless of the ability to pay.

Insurance Accepted. Income-based Sliding Fee Offered.

Public and private insurance companies will be billed for services provided. Applicable copays do apply. An income-based sliding fee payment scale is offered. All are encouraged to apply. Michigan Medicaid programs are also an option. Visit newmibridges.michigan.gov. Please let us know if we can assist you with this process!

Advantages to choosing to utilize services provided at the school-based Owl Health Extension include the following:

- Students can experience their care in a comfortable, familiar environment.
- Less loss of class time and fewer disruptions of regular routines for your student.
- Removes barriers to transportation and job related issues that might hinder access to health services.

This is a collaboration of Oscoda Area Schools and Alcona Health Center, supported through funding from the Michigan Department of Health and Human Services (MDHHS).

The Owl Health Extension is a collaboration between Oscoda Area Schools and Alcona Health Center. This program is aimed at supporting student health with the availability of on site, medical and behavioral health services.

What Medical Services are Available?

The Healthcare Provider at Owl Health Extension is available for students' Primary Care Needs including the following:

- Care for illness or injury
- Well Child Check Ups
- Vaccinations
- Sports Physicals
- Preventative Screenings
- Chronic Disease/Care Management

Additionally, the practitioner will provide health education, risk reduction counseling, and referrals as needed to internal behavioral health services or for other external services not available at the school-based health center location.

What is School-Based Behavioral Health?

School-Based Behavioral Health Therapists are available to assist elementary aged children and teens to gain confidence and learn strategies to be more successful in and out of the classroom.

With parental/guardian permission, our licensed Behavioral Health Therapists offer individual, group and family therapy conveniently located within your child's school.

How Can We Help?

Is your child:

- Experiencing mood changes that are out of the ordinary or feelings of anxiety or depression?
- Having difficulty staying on task, following directions or getting into disagreements with others?
- Experiencing relationship issues, family or school stress?
- Experiencing social issues such as bullying or negative peer pressure?

Professional, Confidential and Compassionate Care

Licensed School-Based Behavioral Health Therapists and the Healthcare Provider at Owl Health Extension provide confidential care. They are here to support your student's health and wellbeing.

Services are available to all Oscoda Area Schools' students. They do not need to be established patients of Alcona Health Center to utilize Owl Health Extension.
